THE NORDIC WASTEWATER SECTOR MEETS

Become an Exhibitor at NORDIWA 2027

Join the leading event for the
Nordic wastewater sector

We are delighted to invite exhibitors to take part in NORDIWA 2027 in Copenhagen.

As an exhibitor, you gain a unique opportunity to showcase your company, products and solutions to a highly engaged and relevant audience. You will play a central role in the conference experience, with the chance to meet participants face to face, exchange ideas, and build valuable new partnerships.

In addition to your on-site presence, your company will benefit from increased visibility through prominent logo placement on both the official conference website and the conference app, including a direct link to your own website.
