

# My 5 Cents on EU projects

Ole Mark Director Research Center

☺le.Mark@dhigroup.com

# Why do we go into EU R&D projects ?

1. Gearing of R&D money
2. Joint projects with cities/utilities
3. Network

# What do we get out of EU R&D projects?

1. New software/products 😊
2. Cases demonstrating the new technology
3. Scientific papers
4. Network, e.g. with end-users
5. New software users
6. Strange experiences...

## ”Personal” experiences

1. Make sure that your budget is big enough
  - Proposal writing, Meetings, Reporting,
  - e.g. 27 days; 13 600 Euro – for meetings
2. We try not to lead projects
  - for financial reasons – Net. salary + 20%
3. Hit rate: 25-33% - at present we have 6 EU projects
